(8)		PENNSYLVANIA STATE POLICE : KU KLUX KLAN RECORDS <i>These records, which were stolen from the home of a regional Klan leader in 1940, contain files of the New Jersey Klan pertaining to both organizational and policy matters. The New Jersey files include a great deal about the internal controversy over the Klan's association with the German-American Bund and a joint rally in 1940. (Several hundred pages were photocopied for the compiler, believed to comprise all substantive New Jersey files. The copies were placed in folders, but only partly sorted.)</i>
